THANK YOU FOR YOUR SUPPORT IN THE LOCAL & GENERAL ELECTIONS

■ **Success! Mark Vivis, the Conservative parliamentary candidate for Chesterfield in May's General Election, has hailed the resounding Conservative victory at national level.**

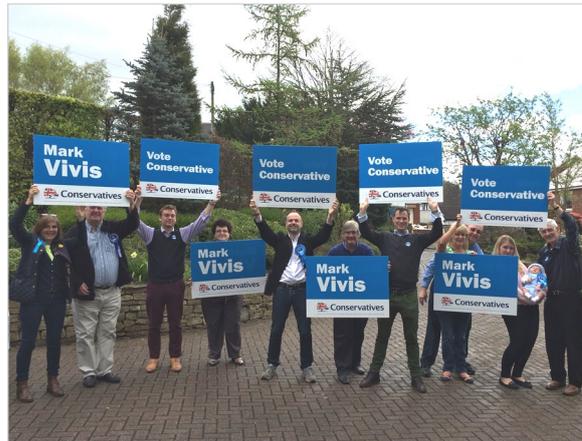

Commenting on the election result Mark said:

"There was a clear choice at this election, despite what the pollsters would have us believe, and the people spoke loudly and clearly – a vote for the Conservatives allows David Cameron and his strong team to keep on with a plan that is working and delivering for people across the country."

Reflecting on his own result in Chesterfield, the strongest Conservative showing in the town in 32 years, Mark said:

"I'm delighted with what we've achieved here in Chesterfield. We

*had an incredible time, and I've been surrounded by a dedicated team and the good people of this great Derbyshire town. I'm proud to have moved the Conservatives up to second spot here, with more people voting for us than we've seen for several decades. To have the opportunity to give people a voice in our democracy is a true honour, and we have built strong foundations to build our party locally going forward, proving that **the Conservatives are the only alternative to Labour** in this part of the country."*

SUMMER BUDGET: DELIVERING SECURITY FOR WORKING PEOPLE

The Conservatives are delivering security for you and your family by moving to a higher wage, lower tax and lower welfare economy

■ **Local Conservative campaigners have welcomed the Chancellor's Summer Budget, endorsing his plan to move to a higher wage, lower tax and lower welfare economy.**

The special Budget came amid forecasts that Britain will be the fastest growing major advanced economy for a second year in a row, proving our long term economic plan is still working.

To ensure all Britons share in our country's success, the Budget introduced a new National Living Wage, giving 2.5 million people a direct pay rise.

130,000 people in North Derbyshire will also benefit from a further rise in the tax free personal allowance, with 2600 taken out of income tax altogether.

Taxes on businesses have also been cut, creating jobs and securing growth.
